

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

IN RE APPLICATION OF

LIAU, et al.

APPLICATION NO: TBA

FILED: HEREWITH

FOR: INDUCTION OF BLOOD VESSEL FORMATION THROUGH
ADMINISTRATION OF POLYNUCLEOTIDES ENCODING
SPHINGOSINE KINASES

Art Unit:

Examiner:

Atty Docket No. 4-31617A

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

INFORMATION DISCLOSURE STATEMENT

Sir:

In accordance with 37 C.F.R. §1.56, applicant wishes to call the Examiner's attention to the references cited on the attached form(s) PTO-1449. Copies of these references are enclosed herewith.

Although these documents are made known to the Patent and Trademark Office in compliance with Applicant's duty of disclosure, such disclosure is not to be construed as an admission by Applicant or Applicant's representative that any of the references, single or in any combination thereof, is effective as prior art against the subject application. In accordance with 37 C.F.R. §1.97(h), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 C.F.R. §1.56(b) exists.

The Examiner is requested to consider the foregoing information in relation to this application and indicate that each reference was considered by returning a copy of the initialed PTO 1449 form(s).

Respectfully submitted,

J. Timothy Meigs
Attorney for Applicants
Reg. No. 38,241
